Submission: Objection

Comments: This proposal will be an eyesore for local residents. It is intrusive and invasive on an area that people have paid a lot of money to move to a desirable area...It is currently peaceful and NOT overlooked with a monstrous towering building, which will attract cars wheel-spinning off and onto the road, with the added anti-social behaviour this will attract. In addition as already pointed out many times it is a dangerous junction with a bus lane school traffic and queuing traffic. An accident involving this proposal is inevitable.
