Further to Mr M. Green's letter of the 20th November 2009, Ref:09/00985/CL EXG, relevant to a lawful development application being submitted on the 7th October 2009, and the request for three separate applications, please find enclosed a planning application and supporting documents for the above proposal for your Council's consideration.

With regards to the initial application, it was actually accepted by one of your colleague's following a discussion, that the three applications could be determined under one fee of £335.00, I still consider that this is the case.

If you require any further information or clarification regarding the above application, please contact my office.

I thank you in anticipation of your cooperation in this matter.

Sincerely,

PETER GALLIMORE F.F.B.,M.I.Const.M.
