Dear Rob,

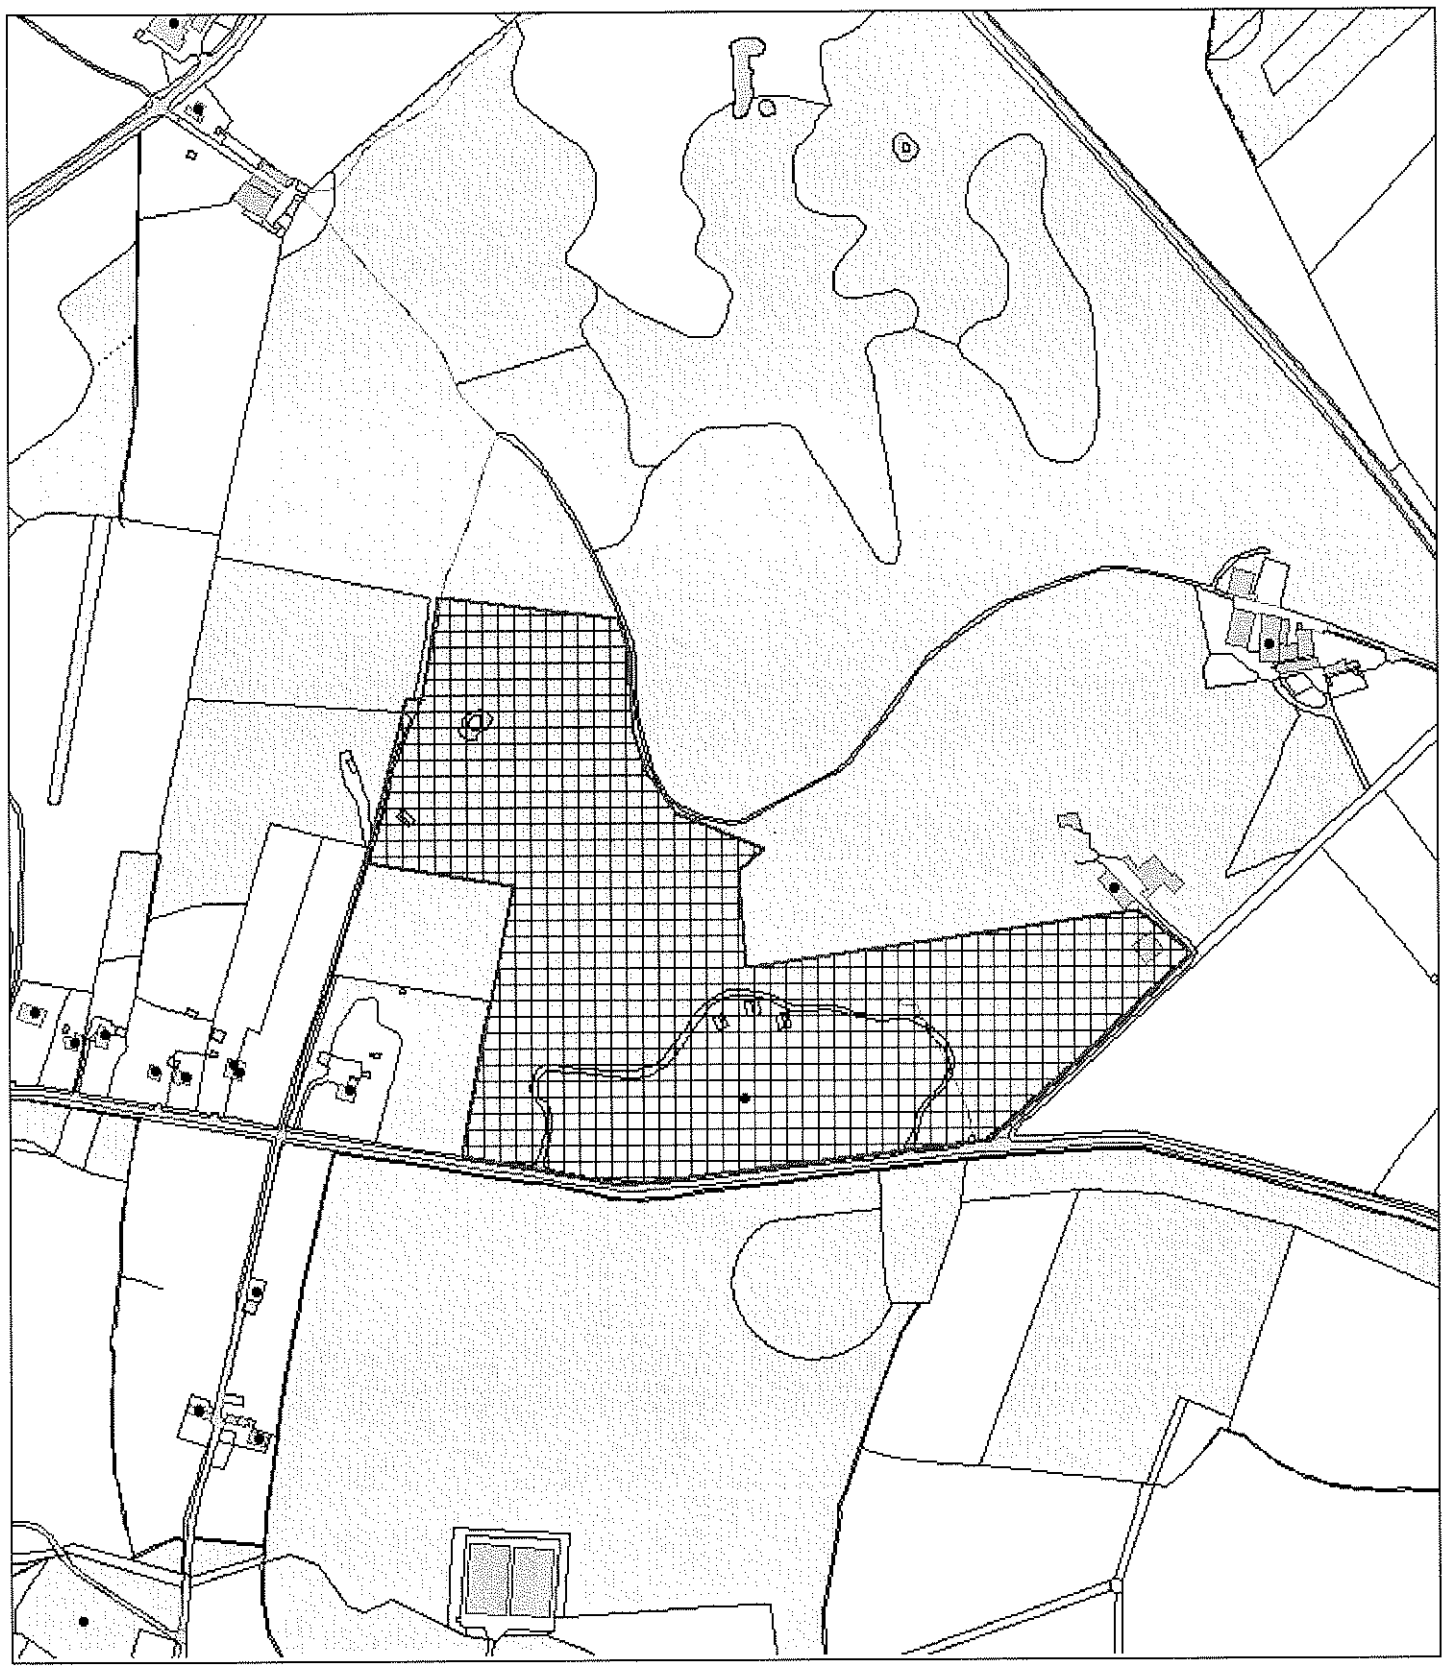

Proposed pathway system at Ramshorn Holiday Chalet Site

I refer to the above planning application submitted electronically today. Please note that the application is not considered to require a Design and Access Statement as it proposes only engineering works and is therefore exempt by virtue of paragraph 69 of Circular 01/2006. If you disagree, please let me know. Please also note, that whilst the application site is wooded, Steve Massey has agreed that because the proposal represents a no-dig construction, a tree report is not necessary. Please also let me know if you disagree with this decision.

Yours sincerely,

David J. Breakwell Dip. T.P.
