

As requested, attached is a smaller scale location map for the listed building consent at Hazelhurst Middle lock on the Caldon Canal. To access the lock, come off the A53 at Leek Old Road in Endon onto a track over the disused railway line. The lock can be accessed by a 2 minute walk on foot from the canal bridge. The lock can also be access by a longer walk west from Dentford Road in Endon.

Below is a map with the lock marked for your convenience.

Any further issues please don't hesitate to contact me.
