Dear Mr Warberton,

13/8

Application for a Vehicle Access Crossing

Sam 10/9 changed.

I refer to your recent enquiry for an access crossing.

Please find attached the County Council's Vehicle Access Crossing Information Pack which provides all of the details that you will need in order to progress an application for a new or widened access crossing. Please note the conditions that must be met in order for an application to be acceptable.

Revised Fees

The fees for all Licences and Permits have recently been revised and therefore the fee for a Vehicle Access Crossing application is £102. To satisfy our requirements to ensure a safe network under Section 16 of the Traffic Management Act 2004 we will be carrying out increased inspections on all private works and as a result all Permit to Dig applications are now chargeable at £204.

If you have any queries regarding this information please contact us on the above number.

Yours sincerely

Highways Team
