 M2 5GP

Application Type: OUTLINE

Application Number: SMD2014/0682

Date Received: 22-OCT-2014

Road Number: C0165

Officer: Jim long

Date: 03-FEB-2015

Particulars of Development:

OUTLINE PLANNING PERMISSION WITH ALL MATTERS RESERVED EXCEPT ACCESS FOR THE CONSTRUCTION OF A HIGH QUALITY LEISURE DEVELOPMENT COMPRISING HOLIDAY LODGES; A NEW CENTRAL HUB BUILDING (PROVIDING SWIMMING POOL, RESTAURANT, BOWLING ALLEY, SPA, GYM, INFORM

Location of Development:

MONEYSTONE QUARRY, WHISTON EAVES LANE, WHISTON, STAFFORDSHIRE

CONDITIONAL:

Recommendations: There are no objections on Highway grounds to the proposed development subject to the following conditions being included on any approval:-

1. The development hereby permitted shall not be brought into use until full details of the following have been submitted to and approved in writing by the Local Planning Authority:
 - layout of the site including disposition of buildings and provision of parking, turning and servicing within the site curtilage;
 - layout of the site to include the parking provision for staff parking.
 - means of surface water drainage from all areas intended to remain in private ownership;
 - full road construction including longitudinal sections and a satisfactory means of draining roads to an acceptable drainage outfall.
2. The development hereby permitted shall not be commenced until details of the off site highway works at the junction of Whiston Eaves Lane and the A52 indicated on drawing no. PB1608-SK001 rev B have been submitted to, and approved in writing by, the Local Planning Authority which shall incorporate further two-dimensional and three dimensional revisions as recommended by subsequent Safety Audits and be constructed prior to first occupation of development in accordance with the approved plans.
3. The Travel Plan which is hereby approved shall be implemented in accordance with the timetable set out in that plan unless otherwise agreed in writing by the Local Planning Authority. Reports demonstrating progress in promoting sustainable transport measures shall be submitted annually on each anniversary of the date of the planning consent to the Local Planning Authority for approval for a period of fifteen years from first occupation of the development permitted by this consent.
4. The development hereby permitted shall not be commenced until an off-site traffic management scheme comprising, a 30mph speed limit on the A52 at the junction with the C0165, Whiston Eaves Lane and a signage scheme detailing the permitted routeing for all traffic accessing and leaving the Park which has been submitted to and approved in writing by the Local Planning Authority. The approved traffic management scheme shall thereafter be implemented prior to first use of the development.
5. Prior to the submission of any Reserved Matters Application for the development hereby approved a detailed site layout plan shall be submitted to, and approved in writing by, the Local Planning Authority. The submitted layout plan shall include the following:

- Connections through the site and onto the public highway for pedestrians and cyclists
- Development phasing

The detailed layout plan shall be approved in writing by the Local Planning Authority prior to the approval of any Reserved Matters submission and shall have full regard to the relevant details as may be approved in accordance with the conditions pursuant to the Planning Permission SMD2014/0682/OUT. All Reserved Matters submissions in relation to the development hereby approved shall conform with the principles of the detailed layout plan.

6. The development hereby permitted shall not be commenced until a Construction Traffic Management Plan is submitted to and approved in writing by the Local Planning Authority detailing the management and routing of demolition/construction traffic ensuring such traffic travels in a northerly direction to and from the site, traffic management measures, delivery times, internal compound arrangements and wheel washing facilities. The approved Construction Traffic Management plan shall be implemented on the commencement of construction and thereafter be adhered to for the full period of construction unless otherwise agreed in writing by the Local Planning Authority.

Reasons for Recommendations

To comply with the policies contained within the National Planning Policy Framework, the principles contained within Manual for Streets and Policies contained within the Staffordshire Moorlands Core Strategy Development Plan 2014.

INFORMATIVE

A .Condition 2 above requiring off-site highway works shall require a Major Works Agreement with Staffordshire County Council and the applicant is therefore requested to contact Staffordshire County Council in respect of securing the Agreement. The link below provides a further link to a Major Works Agreement Information Pack and an application form for the Major Works Agreement. Please complete and send to the address indicated on the application form which is Network Management Unit, Staffordshire County Council, Staffordshire Place 1, Wedgwood Building, Tipping Street, Stafford, ST16 2DH (or email to nmu@staffordshire.gov.uk) <http://www.staffordshire.gov.uk/transport/staffshighways/licences/>

B. The proposed traffic management scheme referred to in condition 4 above requires an essential Traffic Regulation Order, to introduce a 30mph speed limit, for road safety mitigating works. This recommendation of approval should not be construed as though the County Council is prejudging of the Order making process. The developers should note that the Order will be made on behalf of the developer by Staffordshire County Council at the developers expense and has to be secured before development commences as it is an 'ESSENTIAL' component of the required mitigating measures associated with the proposed development. In case the Order is not already being processed the developer is requested to contact Dale Arthur/Jim Long with immediate effect to enable the Order to be secured at the earliest convenience to avoid delays to implementation of the planning consent. Please note that there are no guarantees that the Order will be successful. Condition 4 also requires the implementation of a signage strategy to advise the permitted routing for traffic accessing the Park will require the approval of the Highway Authority. The applicant is therefore requested to contact Network Management Unit at Staffordshire County Council, Staffordshire Place 1, Wedgwood Building, Tipping Street, Stafford, ST16 2DH (or email to nmu@staffordshire.gov.uk, to gain the relevant approvals.

This Form X is issued on the assumption that the developer enters into a Section 106 Agreement to secure the following:

£6,300 Travel Plan monitoring fee

£5,000 to procure the required Traffic Regulation Order

NOTES TO PLANNING OFFICER

This is an outline application with only means of access to the site assessed at this stage; accordingly the residential and commercial layout drawing submitted with the application is purely indicative and therefore the access to individual lodges and associated activities has not been assessed and will be considered fully at reserved matters stage incorporating the principles detailed in condition 5.

**for Director of Development Services
on behalf of the County Council
as Highway Authority**
